

The Committee discussed the additional Chapter 70 aid that the legislature had made available for schools, \$65,700 for Maynard. Appreciating the political realities of requesting “more money” the SC asked that the request memo be sent to the Town Manager. Additionally the SC requested a comparison among area towns relative to the percentage variance between Foundation and actual budgets.

Minutes

The minutes of 6/16 and 6/28 were approved.

At 8:25PM the Committee voted unanimously to enter into Executive session to discuss grievances.

Respectfully submitted,

Mark R. Masterson
Superintendent of Schools
