

MAYNARD PUBLIC SCHOOLS

School Committee Policy:

#105

Student Member

The Maynard School Committee believes that public schools exist primarily to serve the students.

The Maynard School Committee also believes that clearly defined means should be provided for student participation in the formulation of school policy.

The Student Member is elected by High School Student Government who will make periodic reports to and may serve as an ex officio, non-voting member of the School Committee without right to attend executive sessions.
